ICE 2020 CLIENT DIRECTORY

Welcome to the World's Gaming Innovation Showcase

Bringing together **600+ solutions** and **35,000+ professionals** across all sectors of gaming (**4-6 February, 2020**), ICE London is your complete platform to explore the future of Gaming and drive revenues through invaluable meeting and networking opportunities.

1X2 NETWORK / IRON DOG STUDIO

Stand: N4-245

Contact: cams@1x2network.com

1X2 Network's Iron Dog Studio is gearing up for a mega showing at this year's ICE London where it will showcase its portfolio of hugely popular online slot and casino games.

This includes the developer's soon to launch second Megaways™ title which follows on from the success of Pirate Kingdom Megaways™ which performed incredibly well even by Megaways™ standards.

1X2 Network is in a celebratory mood after recently securing a supplier licence from the Malta Gaming Authority, so make sure to drop by its stand N4-245 to spin the reels on its suite of showstopper slots.

BIG TIME GAMING

Contact: [Nik Robinson - sales@bigtimegaming.com](mailto:sales@bigtimegaming.com)

The Big Time Gaming Megaways™ train is unstoppable right now with the developer launching chart-topping titles such as Who Wants to be a Millionaire, Opal Fruits, Kingmaker and Monopoly Megaways broke records at online casinos around the world.

That momentum looks set to continue over the next 12 months with the hotly-anticipated follow-up to Bonanza and the bank busting genre defining Royal Mint coming out on the 12th of February exclusive on Leo Vegas!

Momentum will be driven further by Big Time Gaming's Megaways™ licensees, with more than 20 studios now using its revolutionary and trade-marked mechanic in their own slots. And with more developer deals in the pipeline, 2020 looks set to be the year that Megaways establishes itself as the breakthrough slot game innovation for the decade.

GAMES INC.

Contact: Jason O'Shea - jason.oshea@gamesinc.co.uk

The Games Inc team will be out in full force at ICE2020 where it will expand on its plans for the coming year. "We're super excited about ICE this year. We have been building up our tech capabilities and now ready to go full throttle" said Commercial Director Jason O'Shea.

The Games Inc Reach platform enables games from 3rd party studios to be built directly onto the platform. Games Inc has also recently developed an integration layer that easily enables those studios, with an RGS access through the platform, to create a wealth of content that compliments Games Inc's already proven content for operators.

We will also be announcing some new distribution deals that will truly give game studios unprecedented "Reach".
